Clubhouse Manager

Irma Roberts

SICOG TOURNAMENT

It was a beautiful day in September when Lakeshore hosted, for the first time, the Southern Iowa Council of Governments annual golf meet. There were 16 four member teams participating, making it a very profitable day for the club. We owe a special thanks to the grounds committee for their hard work to have the course in excellent condition and to Irma and Sue for running things smoothly in the clubhouse and preparing the delicious evening meal. Thank you to Tom Maffett for spending most of the day helping with carts and anything else that needed attention. We appreciate Joy Seeley and Jody Weis running the beverage cart on the course, and they even donated their tips to the club, thanks girls! The board members were present to help with carts, cook, clean up and all the details involved. But most of all, THANK YOU to all our members who donated the use of your carts. Without your generosity, we would not have had such a successful event. We have a great membership! We received many nice compliments on our course and clubhouse from our visitors that day, and we hope they will return to play golf again. Thanks to all our members who volunteer their time and hard work to the club—we appreciate you.

Send your dues to: John Kline—300 W. Kansas St., Afton, IA

HAPPY HOLIDAYS!!

WELCOME NEW MEMBERS

**Brent Skellenger
Orient**

**Jim Bradley
Arispe**

**We're glad you have
joined Lakeshore
and hope to see you
on the course and
at our activities!
Welcome!**

Mark your calendar for the 2010 ANNUAL MEETING to be held at the Lakeshore Clubhouse on Thursday, January 28TH. Please plan to attend with your suggestions and ideas for the coming year. You will receive a notice closer to the date.

THE PRESIDENT'S MESSAGE

Now that the weather has changed, it has really slowed down around the golf course. We have been doing some maintenance of machinery and some small things in the clubhouse and around the course. Don Hilts has replaced the stool in the upstairs ladies bathroom as we had continuous plugging; hopefully this will take care of that problem. The board also has been trying to decide on an increase in dues. As you know, things continue to go up and we feel we have come to a fair increase. It will be \$15.00 per membership, except the student and social which will remain the same. Also, the shed rental has gone up \$5.00 per year. We feel this is an amount that people can live with and it gives us a little money to help keep up with expenses. It was felt a little increase every couple of years was better than a large one after several years. If you have any questions or concerns over the dues, be sure to contact myself or another board member. We will soon start having some card parties, so hope to see you there.

Rick
