THANK YOU for joining LAKESHORE

If you sponsor a new membership, you will receive \$50 in Lakeshore Bucks for a family and \$25 for single. Let=s get some new members!

NEW LAKESHORE JACKETS

We have new windbreaker pullover jackets in a variety of colors and sizes in the clubhouse pro shop with a Lakeshore logo. They are very attractive and good advertisement for the club. Make sure you get yours ordered!

JUNIOR GOLF PROGRAM

We have had another successful junior golf program with around 30 young golfers participating. We thank Ron & Loretta Kelly and all the helpers and parents for lessons, practices, and transportation to the tournaments. These golfers are the future of our club, plus they have had a lot of fun.

KITCHEN FLOORING

Thank you to the social members for their generous donation toward the upstairs kitchen and entry way flooring. What a nice improvement!

SICOG TOURNAMNET

We will be hosting the Southern Iowa Council of Governments golf outing on Wednesday, September 7th and expecting around 50 to 60 golfers with a meal. We generated good profits from this group 2 years ago because we had many members willing to donate use of their carts. We humbly ask once again for use of your cart. These events help keep the dues increases at a minimum for our entire membership. We hope you will say yes when you are contacted. Thank You.

THANK YOU Ladies for planting and caring for the beautiful flowers around the course for everyone to enjoy!

Congratulations to Darlene Rutherford for her hole on one on #3 that she shot on her birthday, May 4, 2011. Way to go Darlene!!

The Story of Golf

*In my hand I hold a ball, white and dimpled and rather small,
Oh, how bland it does appear **B**this harmless looking little sphere
By its size I could not guess the awesome strength it does possess.
But since I fell beneath its spell, I=ve wandered through the fires of Hell.
My life has not quite been the same since I choose to play this stupid game.
It rules my mind for hours on end; a fortune it has made me spend,
It has made me curse and made me cry, and hate myself and want to die.
It promises me a thing called par, if I hit it straight and far.
To master such a tiny ball should not be very hard at all.
But my desires the ball refuses, and does exactly as it chooses.
It hooks and slices, dribbles, and dies, and disappears before my eyes.
Often it will have a whim to hit a tree or take a swim.
With miles of grass on which to land, it finds a tiny patch of sand.
Then has me offering up my soul, if only it would find the hole!*
