### CLEAN UP DAY

*Thank you to all that came and worked on clean up day in May. The clubhouse exterior, deck rail and steps were painted, a new deck was built off the kitchen, and the store rooms in the clubhouse were cleaned.*

### JUNIOR GOLF PROGRAM

*The Junior Golfers have had another great season. Thanks to Ron & Loretta Kelly, all the helpers, and parents for their time and transportation expense. This is a huge project and such a benefit for our club. THANKS!!*

### SICOG TOURNAMENT

*Lakeshore has again been selected to host the SICOG golf outing on Wednesday, September 15<sup>th</sup>. This was a very successful event last year and generated good income for the club. Many of our club members donated the use of their carts, and we will need several again this year as well. We hope you will be able to help us out.*

**THANK YOU LADIES** for the beautiful flowers at the tee boxes; they are especially pretty this year.

**Pick up your membership card in the clubhouse, if you haven't yet.**

### The President's Message

It is midway through the golf season and if you are like me, you are tired of all the rain. Still the course is looking great as ever with the help of Doug and his merry band of greenskeepers. Irma said the Miller Lite tournament was a huge success again and hoping the same for the Budweiser tournament on the 10<sup>th</sup> of July. If you are not signed up yet, get a team together and have some fun. I would like to thank the Kelly's for once again taking care of the junior golfers. We have said it many times that they are the future of our club. I think you can look at the success of the program by seeing how well the East Union golf team did this year, as well as their coach, David Campbell. One more item, the Patrick's who built the new home on #5 called to say someone was very close to their house one evening retrieving a golf ball. Remember that is no longer our property and to be a good neighbor we need to respect that. Have a great rest of the summer.
