Needed

Last year worked out really well with volunteers in the clubhouse. We appreciate your help and once again would like to set up a schedule for one or two days a week. Our goal is to have enough volunteers that you would only need to work two half days a month for May through September. If interested contact Donna at the clubhouse (641-347-5221 or call Sherry Parrott at 641-347-8823.

Thank you.

Board Members

For those that were not at the Annual Meeting, we didn't have enough volunteers to serve on the board, so we changed the requirement from eight (8) members to five (5). Thank you to Jean McKinney for volunteering to serve on our board.

Course Maintenance

We are needing volunteers again for mowing. If you would be interested contact Donna at the clubhouse or one of the board members. We would like to set up a schedule so no one has to be there every week. Thank you

Clean-Up Day

The board set Saturday, April 23rd as clean-up day. Starting at 8:00 a.m. we need to paint facial boards and pillars on south and west sides of clubhouse. We need general clean up of the course, painting, and cleaning of the clubhouse. Rain date is Saturday, April 30th.

Banquet Room

Our banquet room is a perfect place for parties and weddings. Please let your friends know if they are looking for a place to rent. You don't have to be a member to use our facility, it is \$150 for members and \$200 for non-members. We furnish the bartender(s), contact Donna at the clubhouse 641-347-5221.
